Pressure Area Care

ROHO® QUADTRO SELECT® from standard 12" x 12" plus custom sizes as required — no minimum weight limit and suitable for therapeutic pressure relief.

Action® Xact Classic from standard 10" x 10".

0-8 Stone "soft" option on Tempur® Mattress or up to grade 2 pressure damage.

Scar Management and Dressings

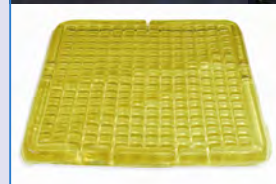

Ciltech® Scar Management (left) for burns and post operative scars, available in gel or sheet form with a full range of sizes. Available on FP10.

Cilguard® Polyurethane Wound Dressings (right) with soft silicone adhesive designed for the most fragile skin. Available on FP10.

Bathing and Adaptive Pads

The Flowform® bathing products are great for comfort and tissue protection during bathing.

Action® Cubed (left) can be cut to any size. Action® Adaptive pads (right) can be easily trimmed to any shape.
